GREVES VERIFICATION SOLUTIONS DWC LLC, (a GREVESGROUP[®] company), is a professional International Corporate Risk Investigation Company & Brand Protection Company, providing International Online or Offline Sample / Test Purchase and Mystery Shopping Services in more than 115 countries.

We provide rapid response for sample purchase requests, test purchase services for the clients across the globe to get the samples and photographs of the samples on counterfeits and infringe products.

We have vast experience of discreetly purchasing products to use as evidence or to keep an eye on online marketplaces against counterfeiting. At the time of making these purchases of samples, we often find out much more information about the target company which can lead us to manufacturers sometimes.
